

Liberty's Terms and Conditions

Selling price

Liberty's will retain 50% of the final selling price of each item. Liberty's may reduce the price of items that have not been sold after 5 weeks unless you state otherwise.

Clothes condition

Clothes should have been washed or dry cleaned with buttons and zips intact. Collars, cuffs and linings must have been checked for wear and tear. If, after taking in items, we find they are not clean or are too worn or damaged we will not be able to put them in the shop and you will need to collect them.

Vintage clothes also need to be clean and in good condition but of course some wear and tear, missing buttons etc is more likely and acceptable.

Seasonal wear

The clothes must be appropriate to the season. We accept Spring/Summer items from the end of February and Autumn/Winter items from early September.

Selling period

Liberty's will keep your items in the shop for up to 8 weeks. Liberty's reserves the right to remove clothes earlier than the 8 week period at busy times.

Money collection

Money will be available to collect at the end of the 8 week period and not before. **PLEASE CALL/EMAIL us before you come to collect your money** so we can ensure we have it ready for you. If you do not contact us beforehand you may have to come back another day.

Unsold items

Any unsold items must be collected at the end of the 8 week period. **It is the client's responsibility to contact Liberty's** no earlier than 7 weeks into the selling period to see if items have been sold. Since we have many clients we are unable to call you. Unsold items may be passed on to another charity shop if they are not collected at the end of the selling period or we have not heard from you. Please let us know if you are unable to collect items due to holidays, illness etc.

Loss/damage

Liberty's will take every care with your items but cannot accept any liability in the very unlikely event of loss or damage.

REMEMBER YOU CALL US WE DON'T CALL YOU!!
